

Peninsula Fire Sirens

June, 2019

Hear the Sirens!!

Our Memorial Day Sale was a "Memorable" Day"! The weather (rain) changed our "Parking Lot Sale" into a "Garage Sale". Chief Pini was very kind, and allowed us to use two garages! We filled both garages to the brim. We did well monetarily considering the circumstances. There has been some discussion about having this big sales event on the 4th of July next year!?

Our "Category" sale for this month will be dishes and glassware. All individual and sets of dishes and glassware will be 50% off.

The new officers for 2019-2020 are: Monique Figletti (president), Jessie King (vice president), Louise Osbourne (secretary), and Marlyene Selk (treasurer). They'll be sworn into office next month.

We now have a "suggestion" Mail Box. It's located in front of the Shop. Please submit your ideas & comments into the Box. Our monthly mail will be discussed at our Membership Meetings.

Since this is my final month as your President, this will be my last article for this website. I have enjoyed very much serving as Sirens' President and communicating with you through this PFD Website.

Thanks,
Kris Moore
